

22 MAY 1967

MEMORANDUM FOR: Director of Security

SUBJECT : Office of Security Statistical Report for
APRIL 1967

1. The attached tables reflect some of the activities of certain components of the Office of Security during April 1967.
2. The statistics in the tables are compiled by the component concerned and refer to the current month.
3. Examination of the monthly statistics for calendar year 1967, related to IOS investigative and operational support activity, reflects the month of April as being the heaviest thus far.

<u>Field Investigative Assignments</u>		<u>Covert Operational Support</u>
(Pending at end of month)		(Manhours Expended)
January 1967	3,504	8,119
February 1967	3,629	8,028
March 1967	4,336	8,273
April 1967	4,719	10,523

4. The percentage increases since January were 35% for investigations and 30% for support with the total increase being 65%. Another noteworthy observation is the comparison of support activity for April 1966 and April 1967. The number of manhours expended were 4,703 and 10,523 or an increase of 124%.
